Table of Private Acts

July 1, 1867 — December 31, 1984

This table lists the private Acts of the Legislature of Ontario passed since 1867 that may still have effect. It is prepared for purposes of convenience only. The inclusion or omission of a private Act in or from the table does not affect its status.

Unconsolidated and unrepealed special Acts passed as public Acts before the 1st day of January, 1981 and that may still have effect are listed in Schedule C to the Revised Statutes of Ontario, 1980. Special Acts passed as public Acts since that date are listed in the Table of Public Statutes published in the most recent annual volume of the Statutes of Ontario.
